Leicester, United Kingdom

SUMMARY

Experienced Frontend Developer with three years of proficiency in React and React Native. Skilled in translating design into high-performance code, emphasizing user experience. Collaborative team player with expertise in HTML, CSS, and JavaScript. Proven ability to deliver scalable solutions, particularly in mobile app development using React Native. Strong problem-solving skills, adaptability to evolving technologies, and a commitment to clean, maintainable code. Ready to contribute to ambitious projects.

EXPERIENCE

React Native Developer 07/2023 - 12/2023
Natter

- Assisted in translating design specifications into functional and responsive user interfaces, ensuring a seamless user experience across iOS and Android platforms.
- Gained hands-on experience in state management, asynchronous programming, and integration of third-party libraries within React Native applications.
- Worked closely with senior developers to troubleshoot and debug issues, actively participating in code reviews to enhance code quality.

React Frontend Developer 08/2022 - 06/2023
Ezdat Technology Pvt. Ltd.

- Developed and maintained user-facing features for 10+ high-traffic websites and applications using HTML, CSS, and JavaScript, resulting in a 20% increase in user engagement.
- Optimized 15+ applications for enhanced speed and scalability, leading to a 25% improvement in loading time.
- Collaborated seamlessly with back-end developers and web designers to enhance application usability, which received a 95% positive feedback in user surveys.
- Played a pivotal role in the entire software development lifecycle, from concept to deployment, ensuring timely project deliveries and a 100% bug-free product.

Web Developer 01/2022 - 07/2022
Ritzyware

- Assisted in the development of 5+ responsive web designs, ensuring optimal user experience across devices.
- Implemented UI/UX design principles to enhance the visual appeal of web applications, leading to a 15% increase in user retention.
- Worked closely with senior front-end developers, learning advanced JavaScript frameworks and improving team efficiency.
- Participated in weekly team code reviews, contributing valuable insights and helping reduce code-related issues by 30%.

EDUCATION

Commerce 08/2016 - 10/2018
Chaudhary Ranbir Singh University - Bachelor of Education

Commerce 06/2012 - 08/2015
Dr. Bhimrao Ambedkar University, Agra - Bachelor of Commerce
